

Dear Resident/Proprietor,

Thank you for your patience and understanding this year while we have been constructing the Churchill Way Canal Quarter.

We know construction work can be loud, dusty and disruptive and we are grateful for your cooperation.

Our site will shut down for a festive break on 23/12/22 and resume on 03/01/23.

During this time if you have any queries or concerns our team can be contacted on 07790 781360

Seasons Greetings & Happy New Year

From

*Churchill Way Canal Quarter Team*
