

9 September, 2022

Dear Resident/Proprietor,

**Ref: ADVANCED WARNING : NORTH EDWARD STREET LANE & FOOTPATH CLOSURE**

**What:** Single lane and footpath closure on North Edward Street.

**Where:** North Edward Street, Cardiff

**When:** Week commencing 19 September 2022 for 20 weeks

**What we're doing?**

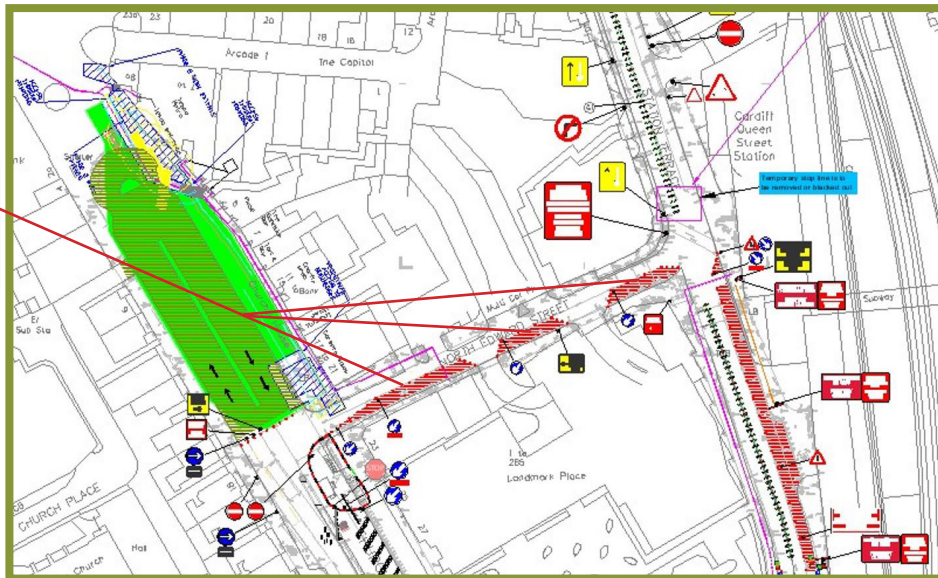

As part of the Churchill Way Canal Quarter Scheme, we will be undertaking works to remove and replace the existing kerb line, footpath, paving and street furniture, and completing ducting work throughout North Edward Street.

**How will this impact you?**

To enable us to undertake this work safely, there will, unfortunately, be some disruption within the local area. We have tried to minimise this by phasing our works in to smaller areas which enables us to implement shorter pedestrian diversions and ensure that the works are delivered efficiently and safely. We will maintain access to businesses at all times and a safe pedestrian route will be in place throughout the works.

The drawing below highlights in red the lane and footpath closure on the south side of North Edward Street. Once we have completed this work we will then move on to the northside and switch the lane and footpath closure on to the North.

Carriageway & footpath closure on south side of North Edward Street.

We understand that our work can cause disruption, and we'd like to assure you that we will complete the work as quickly and safely as possible. In the meantime, if you have any questions or queries about the work, feel free to contact me on 07818 432183.

Kind Regards,

Public Liaison Manager
