

21 June, 2022

Dear Resident/Proprietor,

Ref: ADVANCED WARNING : CHURCHILL WAY (SOUTHERN) ROAD CLOSURE

What: Road Closure

Where: Between Bridge St Junction and Adam St Junction on Churchill Way

When: Friday, 24 June 2022, between 7 pm & 5 am

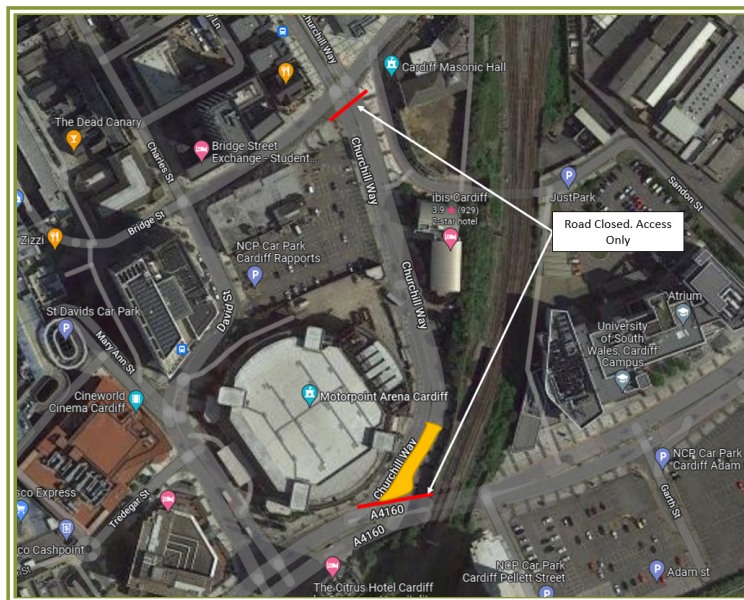

What we're doing?

As part of the Churchill Way Canal Quarter Scheme, we will be undertaking surfacing works to the southern end of Churchill Way on Friday, 24 June, between 7 pm and 5 am. The road will be closed from the Bridge Street junction through to the Adam Street junction.

How will this impact you?

To enable us to undertake this work safely, there will, unfortunately, be some disruption within the local area. We have tried to minimise this by undertaking these works at off-peak times. During the closure, a local diversion route will be in operation. Access for residents and businesses will be maintained throughout the closure.

The drawing below highlights in yellow the area of road that will be closed during the works.

We understand that our work can cause disruption, and we'd like to assure you that we will complete the work as quickly as possible. In the meantime, if you have any questions about the work, feel free to contact us on 07818 432183.

Kind Regards,
